

AMP NETCONNECT TERMINATION TOOL

SL Series Modular Jack Termination Tool

Another Specialty Product (OEM) Solution from...
YOUR TRUSTED DATA CENTER PARTNER

PRODUCT HIGHLIGHTS

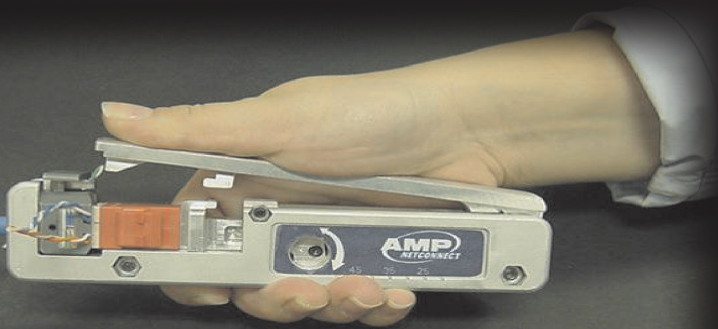

-  Easier, faster and more consistent tool to terminate Cat 6 cable; less hand fatigue vs. utilizing a punch down tool
-  Takes ONLY 1.5-2 minutes per jack vs. 3-4 minutes (old termination method)
-  Inserts/cuts all four pairs at once; pair twist controlled, simplifying the lacing process
-  Allows for faster installation, while still ensuring quality & reliability
-  Significantly speeds up jack termination process for SL Series jacks

AMP'S JACK TERMINATION TOOL (SL)
